

## Westvlees – Recruiter

Westvlees is a proud pillar of the **Belgian Pork Group**, a leading network of **8 Belgian sites** that process **420,000 tons of high-quality pork** each year – a large part of which is exported to **over 50 countries worldwide**.

But behind those numbers lies something far more important: **a warm, family-oriented work culture**, driven by passionate professionals who take pride in their craft.

Would you like to be part of that family? Good news: to further strengthen our organisation, we are looking for a **new Recruiter!**

### What will you do?

As a **Recruiter**, you are responsible for the **coordination and follow-up of the full recruitment and selection process** within Belgian Pork Group.

Acting as a true business partner, you identify the needs of management and line leaders and translate these into a **sustainable recruitment strategy**. You build strong relationships with external partners while keeping an eye on **cost efficiency**.

You work closely with our marketing department to **translate our DNA and company culture** towards the external job market. You love thinking creatively about campaigns and solutions that strengthen our employer brand.

Despite the competitive and challenging labour market, you know how to **convince candidates to join The Belgian Pork Group**.

Finally, you're passionate about **data and KPIs**, allowing you to adjust your approach whenever needed.

### What you bring

- You have broad experience in recruitment, preferably in a production environment.
- You have a strong ability to **read people and situations**.
- Your **excellent communication skills** help you build bridges between management, line teams, and the external labour market.
- You thrive on **collaboration and making things happen**.
- You enjoy being hands-on but also like to take a **helicopter view** when needed.
- You speak **Dutch** fluently and have a good command of **English and French**.

### What we offer you

- A **market-based salary** aligned with **your knowledge and experience**
- **Solid internal training**, with opportunities for **external development**
- A **wide range of extra-legal benefits**: meal vouchers, group insurance, hospitalisation insurance, cafeteria plan, **option for a company car...**
- **The chance to grow** within a **family-owned company** where **ambition, common sense, and good food** are central values
- A **delicious company restaurant**, with **steak and fries on the menu every Thursday**

- A **padel court** where you can **hit a ball** with your colleagues after work

## Ready to take the step?

We'd love to **get to know you!** **Apply today**, and who knows, you might soon join **the Westvlees family**.
